HOOSICK FALLS

Chief Ashe Resigns and Pleads Guilty to Misconduct

by Doug La Rocque

Former Hoosick Falls Village Police Chief Robert (Bob) Ashe was arrested by NYS Police on Monday, May 16, and accused of Official Misconduct. He pled guilty that evening in Village Court to the charge, a misdemeanor. Village Court Judge Thomas Restino gave the former chief an unconditional discharge and ordered him to pay a \$205 court surcharge.

Mr. Ashe's conviction would have automatically resulted in his termination and removal from public office, however, he officially resigned his position the previous Friday.

According to the NYS Police press release, the investigation revealed the former chief stole evidence and then created paperwork to cover up the theft. Columbia County District Attorney Paul Czajka was appointed the special prosecutor in the investigation by Rensselaer County Court Judge Jennifer Sober.

Mr. Ashe has been on paid suspension since December of last year, after it was revealed NYS Police were looking into his alleged participation in a potential voter fraud case concerning last November's general election. Hoosick Falls Mayor Rob Allen announced the resignation on Monday morning, saying

"We wish him the best of luck with his future endeavors." The Mayor added, "Our Village Police Officers stepped up and served with distinction and honor over the past several months. We are deeply appreciative of their efforts and dedication. Officer-in-Charge Paul Aleksonis will continue to lead the Village of Hoosick Falls Police Department while they provide their essential service to the Village of Hoosick Falls." Mayor Allen indicated the Village would have no further comment at this time. It has not yet been announced when a successor to the former chief will be named, or if any other options are on the table.

Mr. Ashe has been active in law enforcement for 44 years, leading the Hoosick Falls department for the last 18. One of his recent accomplishments was enticing Unity House, a human service agency based in Troy, to open a location in the Village.

POESTENKILL LIBRARY Library Budget Proposal Petition Drive Underway

The Board of Trustees of Poestenkill Library is seeking to place a budget proposition on the November ballot to request an increase in the funds appropriated by the Town to the library, which has remained unchanged since 2017. In order for the proposition to be on the ballot, the library must first gather 215 signatures from registered Town voters. If the budget request is ultimately approved, the average taxpayer would see an increase to the library amount (on their tax bill) of approximately \$5 for the year.

Please stop by the library, located at 9 Plank Road, to sign the petition. For more information, including specifics about how the increase would affect you, please email us at info@poestenkilllibrary.org or check us out on Facebook or on our website at www.poestenkilllibrary.org.

NEW LEBANON

New Firehouse Proposed

by Chris Tergliafera

At the May 10 regular meeting of the New Lebanon Town Council, Lebanon Valley Protective Association (LVPA) president Stephen Houghtling discussed the proposed plan for a new firehouse. Under the plan the LVPA would become centralized in one building instead of three. A local family has offered to match donations made for the new firehouse, dollar for dollar, until the end of 2022, up to an amount of \$250,000.

Shatford Park Fence

A proposal from Berkshire Fence Company for \$32,255, which is only slightly higher than the estimate the Town received last year, was approved. This bid includes installation of the new fence and removal and disposal of the old fence, as well as wiring on the back that will help prevent balls from rolling out into the road.

Skatepark

The current plan for the skatepark, which has been deemed salvageable, is to make the concrete slab underneath it the same size as a basketball court; that way once the skatepark is no longer there, the slab can be easily converted for other uses.

Shatford Park Splash Pad

The Council approved a motion to put construction of the new splash pad at Shatford Park out to bid. Bids are due at the Town Clerk's office by Friday, June 10 at 4 pm, with bids to be accepted or rejected at the June meeting.

Appointed or Elected

New Lebanon residents will have the option to decide if the Highway Supervisor position will remain elected, or become an appointed position. Should it become appointed, that would begin January 1 2024. A public hearing will be held on **June 14 at 6:55 pm**.

Town Hall Streams

New Lebanon will increase its membership with Town Hall Streams to the \$250 a month unlimited package. This will allow all Town meetings to be streamed and recorded.

Other News

The Board approved \$38,250 for an engine replacement for one of its large highway trucks.

A \$500 budget was approved to plan a thank you dinner for Town volunteers.

The council has formerly requested a reduction in speed on parts of routes 20 and 22.

NEW LEBANON

Community Food Giveaway

The Town of New Lebanon and the New Lebanon CSD will host a food giveaway on **Monday, May 23, starting at 9 am**. The giveaway is completely free and will take place at New Lebanon Town Hall, 14755 Route 22. Pull in at Shatford Park by entering the baseball fields and follow signs to the Town Hall. Any questions, contact Town Supervisor Tistrya Houghtling at supervisor@townofnewlebanon.com.

NEW LEBANON

PTA Animal Day

On **Saturday, June 4, from 1 to 4 pm**, the Walter B. Howard PTA will be holding an animal day at Shatford Park Pavilion. There will be a petting zoo from 1:30 to 3:30 pm, as well as K-9 unit demonstrations, rescues from all over the region, pony rides and more. Food will be available at the baseball field snack shack. Well behaved, leashed and vaccinated pets are allowed.

NEW LEBANON CENTRAL SCHOOL

School Budget Approved

Voters in the New Lebanon School District overwhelmingly approved the \$12.9 million opening plan, with 75% voting yes. Even more, 80%, said yes to the purchase of two new 66-passenger school buses. Incumbents John Kalisz and Robert Long were re-elected to the School Board, along with newcomer Charles Kane.

EAST NASSAU

Board of Trustees Highlights

by Denise Wright

The East Nassau Board of Trustees meeting on May 11 started with a public hearing and a plaque presentation. The public hearing involved the request for a special permit to allow the Country Mini-Mart on Route 66 in East Nassau to install a new 50 square foot internally lit sign. While the business owner did explain that a sign would enable him to draw more business, several residents voiced concerns over the size of the sign and that it has the potential to detract from the character of the Village.

After the public hearing, former Board of Trustees member Mike Lever was recognized for his service as a Board of Trustees member for the Village of East Nassau. Lever served six years on the Board of Trustees, served as Code Enforcement Officer and presently serves on the Zoning Board. Mayor Acquario commended Lever for his years of outstanding service and devotion to the community.

The Village Attorney discussed changes to New York State's open meeting law. While video conferencing will still be available, it is now a requirement to have a quorum in person.

The Code Enforcement Officer completed two inspections on a new home constructions on Route 20 and Gardner Hill Road. Public Works Superintendent Mike Dorr brought up a concern about the cost of sand and salt for the upcoming year. The Board asked that the village distributor create a letter explaining

the situation so a plan for relief could be devised.

The Treasurer reported that the Village, at this point, has a nice cushion due to sales tax and strict monitoring by the Village Board. A new QuickBooks computer program has been purchased to keep the Village finances updated. An end-of-the-year meeting has been scheduled for May 31 at 7 pm at the Hoags Corner Ambulance Building. The public is welcome to attend.

There will be a ceremony on Flag Day at the Chandler Young VFW post in the afternoon. The Board discussed changing the terms for Mayor and Board of Trustees members to four years. While eliminating elections every two years could potentially save some money, no decision was made, and it was decided more information was needed.

The final item on the agenda was the Sadiq Sign application reviewed in the public hearing. Since the Village requirements for signage are restricted to 36 square feet, the Board denied the 48 square foot sign, and advised the owner to contact CITGO to get a smaller sign that would fall under the Village requirements. The owner said that he would be turning the lights off of the sign and pumps when the store is closed to avoid light pollution. Mayor Acquario and the Board told the owner that they were more than happy to advise him in getting the correct size to maintain the Village's character.

COLUMBIA COUNTY

Make-A-Wish Seeks Wish Granters

Make-A-Wish Northeast New York is seeking to address a severe shortage of wish granters, the volunteers who work directly with wish kids and families in Columbia and Greene counties.

Wish granters are volunteers specially trained by Make-A-Wish to work directly with wish kids and

their families, helping them craft life-transforming wishes. These volunteers' duties range from meeting with the families to helping determine a child's wish to planning wish reveal celebrations.

Make-A-Wish Northeast New York serves 15 counties in the region that encompass the 518 and

838 area codes. It currently has 150 wish granters, and more than 700 volunteers overall, but is in immediate need of wish granters specifically to serve Columbia and Greene counties, which represent the chapter's southernmost reaches.

County Wide News

RENSSELAER COUNTY

Redistricting Opens Up Many Opportunities

by Doug La Rocque

Both the NYS Court of Appeals (the State's highest court) and a Federal Appeals court recently held that the new congressional and State Senate districts, as redrawn by the State Legislature, were in fact gerrymandered in favor of the Democratic party, and ordered a Special Master to redraw those lines. On Monday, May 16, those new districts were revealed and it set off a flurry of activity. One of the largest redraws involved Rensselaer County's congressional representation. Currently, most of the County falls within the 19th Congressional District, which is occupied by Representative Antonio Delgado, while the Troy area is in the 20th District, represented by long time incumbent Paul Tonko. Now, all of Rensselaer County moves into the 20th district. It would encompass the cities of Albany and Schenectady, but not Amsterdam, Congressman Tonko's place of residence.

That fact however, does not preclude Representative Tonko from seeking re-election in that district. New York State law says a congressional representative must only live in the state. If Mr. Tonko is re-elected, it is widely expected he would move into his new district.

Why not run in the district Amsterdam is moving into? Well that happens to be the 21st district, currently held by Representative Elise Stefanik, the number three Republican in Congress and a district that heavily favors Republicans. Mr. Tonko is a Democrat.

Republican Liz Joy is currently the party's pick to run in the 20th district. She was defeated by Representative Tonko two years ago. A State Supreme Court Judge has pushed the primary for Congress and the State Senate back to August and re-opened up the primary petitioning window. So, if someone wanted to challenge Ms. Joy in a primary they would have to start circulating their own nominating petitions, something that appears to be unlikely.

State Senate Seat Wide Open

The Master also made changes to the 43rd Senate District, currently represented by Daphne Jordan, a Saratoga County resident. The new district boundaries now include Rensselaer County, as well as portions of Albany and Washington counties, but no longer Saratoga

Assemblyman Jake Ashby, who has announced he will seek the Republican nomination for the new 43rd Senate District.

County. While Ms. Jordan could still run in her old district while living outside of it once, she would have to re-locate for any future elections. At this point, it appears Senator Jordan will seek the Republican nomination to run in her new district. That opens up a race to replace her. One name has already come forward, that of 107th Assembly District representative Jake Ashby, who announced on Tuesday he would seek the GOP nomination. In his press release, Assemblyman Ashby said "after careful consideration and consulting with my family, friends and colleagues, I am honored to formally announce my candidacy for the 43rd New York State Senate District." Mr. Ashby is the current Assembly Republican Vice-Chairman and an Army combat veteran who has represented much of the new Senate District since taking office in April of 2018.

He also says "I look forward to this exciting opportunity to continue serving our outstanding Capital District community and am committed to representing the people of Albany, Rensselaer and Washington Counties in our State Legislature." An interesting point here is that should Assemblyman Ashby have chosen instead to seek re-election, he would have been unopposed. Even more interesting now is that whoever the Committee to Name Replaces chooses to run for that seat instead will also be unopposed. The Assembly districts were not changed and will still have a June primary date, so it is too late for nominating petitions to be circulated for that race.

Former Rensselaer County Executive candidate Andrea Smyth has already filed petitions for the Democratic line in the district, but since the primary opportunities have been re-opened, she may face some opposition for that nod.

4-H Barbecue Fundraiser

On **Saturday, June 4**, Herrington BBQ, 1333 NY Route 7, Troy, will host a curbside, take-out only chicken dinner, to benefit the Rensselaer County 4-H Teen Exchange. The menu is a half chicken, coleslaw, roll, potato and Farmers Feed Bunk cookies. The cost is \$15 and pickup time is 4 pm. To reserve your dinners and coordinate payment please call 518-588-1593.

DEC Urges Caution With Brush Burning

New York State Department of Environmental Conservation (DEC) reminds New Yorkers that despite the annual statewide ban prohibiting residential brush burning coming to an end, caution is still required, and fires can still easily and quickly escape and spread.

Each year, DEC Forest Rangers extinguish dozens of wildfires that burn hundreds of acres. In addition, local fire departments, many of which are staffed by volunteers, all too often have to leave their jobs and families to respond to wildfires caused by illegal debris fires.

Burning garbage or leaves is prohibited year-round. For more information about fire safety and prevention, go to DEC's Firewise New York webpage.

RENSSELAER COUNTY LEGISLATURE

May Meeting Report

Submitted by the Rensselaer County Legislature Office of the Minority

City of Troy Targeted Property Tax Abatement

The Minority Office introduced a Local Law, which was supported by a 18-1 vote (with legislator Fiacco voting against it), to provide real property tax relief to specific districts in Troy. The tax exemption shall be valid on any increase in assessed property value attributable to construction improvements for a certain number of years.

Health

The legislature authorized the Health Department to purchase previously rented PCR COVID-19 testing machines, printers and testing kits for County school buildings to assist in

rapid identification and monitoring. These machines can also test for flu and strep symptoms.

HVCC North Expansion

The legislature supported the funding of construction costs for the Hudson Valley Community College expansion project in partnership with Global Foundries in creating a new training and apprenticeship center in Malta, NY.

22nd Annual Coats for Kids Campaign

The legislature unanimously voted to enter into a partnership with The Country Club of Troy to host their annual fundraiser in September and raise money to buy winter coats for underprivileged children.

Leaving Young Wildlife in the Wild

New York State Department of Environmental Conservation (DEC) is reminding New Yorkers to appreciate wildlife from a distance and resist the urge to pick up newborn fawns and other young wildlife.

When people encounter young wildlife, they likely are not lost or abandoned, but purposely left there by their parents to keep them hidden from predators while the adult animal is nearby collecting food for the newborn.

White-tailed deer fawns are a good example of how human interaction with young wildlife can be problematic. People occasionally find a lone fawn and mistakenly assume it has been abandoned, which is rare. A fawn's best chance to survive is to be raised by the adult doe. If human presence is detected

by the doe, the doe may delay its next visit to nurse.

The more serious cases of animals being abandoned are due to injury. Anyone that encounters a young wild animal that is obviously injured or orphaned may wish to call a wildlife rehabilitator, who are trained volunteers licensed by DEC.

Additionally, DEC reminds the public that young wildlife are not pets, and advises New Yorkers to keep pets indoors when young wild animals are present. Many fledgling birds cannot fly when they first leave the nest and are easy prey for a domestic cat.

For more information and answers to frequently asked questions about young wildlife, visit DEC's website, www.dec.ny.gov.

NFCA All-Region Teams

Arianna Papas of Castleton and Taylor Dicranian of Bennington were recently honored by the National Fastpitch Coaches Association with a place on the All-Region teams. Papas was named to the first team as an outfielder and Dicranian was named to the third team as a utility player/outfielder.

All honorees move forward to be considered for selection for the three NFCA Division III All-America squads, which will be announced on May 24.

Tamarac/BNL Pick-up Softball Sectional Victories

Some excitement around the Berlin/New Lebanon Girls Softball team as they hosted Cambridge in a first round sectional game on Tuesday, May 17. Bailey Catlin struck out 18 batters as BNL posted an 8 to 3 victory, their first sectional win since 2008.

Tamarac Had a Scare

After winning the Wasaren League title on Thursday, May 12, with a 4 to 1 win over the Greenwich Witches, the Lady Bengals moved into a first round sectional game against the Albany Academy for Girls. Going into the 7th and final inning, Tamarac found itself on the short end of a 7-4 game. Tamarac was determined not to let a great season end there, scoring four runs in the bottom of the seventh to post a walk off 8 to 7 win. Jaelyn Stemp singled in the final two runs, and Erin Lee smacked a three run homer to lead the Bengals' comeback.

Both teams now move on to the second round.

AUTO RACING

Many Lead Changes at A-S

A rough track and many blown tires resulted in many different drivers grabbing a share of the lead at the Albany-Saratoga Speedway Friday night, May 13. The folklore about the infamous "day of bad luck" proved itself true, as many of these racers saw their leads disappear for one reason or another. One person who did not suffer from triskaidekaphobia (fear of Friday the 13th) was Matt DeLorenzo, who was first under the checkers at the end of the 35-lap Big Block Modified feature. Last week's winner, Kenny Tremont Jr., came in second, followed by Peter Britten, Mike Mahaney and Demetrios Drellos. Pat Jones captured the Sportsman Feature.

Lebanon Valley

Long-time runner Eddie Marshall was back in Victory Lane on Saturday at the home of the high banks. He grabbed the lead on the first lap and led the pack home for the win. Following Marshall under the checkers was Kolby Schroder, Kenny Tremont Jr., Andy Bachetti and L.J. Lombardo. The Small Block feature went to Andy Bachetti with Tim Hartman claiming the Sportsman feature.

Fonda Speedway

Craig Hanson notched his eighth career win at the Track of Champions this past Saturday night, with his dad Ken celebrating his birthday watching his son post the win in the Big Block Modified feature. Matt DeLorenzo, who won the previous two weeks was second, followed by Demetrious Drills, Ronnie Johnson and Bobby Varin. The Sportsman feature went to Cody Clark.

PLEASE TAKE NOTICE, that on the 30th day of March 2022, the Chief Fiscal Officer, hereinafter the "Enforcing Officer", of the County of Rensselaer, New York, hereinafter the "Tax District", pursuant to law filed with the Clerk of the County of Rensselaer, New York, a petition of foreclosure against certain parcels of real property for unpaid taxes. Such petition pertains to the parcel or parcels more particularly described and set forth in the First List of Delinquent Taxes for the year 2022, filed in connection with this proceeding and in the attachment to such petition and to this notice of foreclosure, which attachment is hereby incorporated herein and made a part hereof by reference.

Effect of filing: All persons having or claiming to have an interest in the real property described in such petition are hereby notified that the filing of such petition constitutes the commencement by the Tax District of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.

Nature of proceeding: Such proceeding is brought against the real property only and is to foreclose the tax liens described in such petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.

Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in such petition. Such persons are hereby notified further that a duplicate of such petition has been filed in the office of the Enforcing Officer of the Tax District and will remain open for public inspection up to and including the date specified below as the last day for redemption.

Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to the County of Rensselaer, New York, c/o Mark Wojcik, Chief Fiscal Officer, Rensselaer County Bureau of Finance, Ned Pattison Government Center, 1600 Seventh Avenue, Troy, New York 12180. Last day for redemption: The last day for redemption is hereby fixed as the 8th day of August, 2022.

Service of answer: Every person having any right, title or interest in or lien upon any parcel of real property described in such petition may serve a duly verified answer upon the attorney for the Tax District setting forth in detail the nature and amount of his or her interest and any defense or objection to the foreclosure. Such answer must be filed in the Office of the Rensselaer County Clerk and served upon the attorney for the Tax District on or before the date above mentioned as the last day for redemption.

Failure to redeem or answer: In the event of a failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all of his or her right, title and interest and equity of redemption in and to the parcel or parcels described in such petition and attachment and a judgment of foreclosure may be taken by default.

John W. Crook Jr.

Brunswick - John W. "Jack" Crook Jr., 86, a longtime resident of Brunswick, passed away peacefully Monday, May 16, 2022, at Samaritan Hospital in Troy with his family by his side, following a short illness.

Born in Liberty, New York, April 25, 1936, Jack is the son of the late John W. and Viola (Muthig) Crook Sr. and the loving husband, for over 66 years, of Joan M. (Rifenburg) Crook of Brunswick, who survives.

Jack attended Troy City Schools. He entered the workforce as a young man and worked at several area businesses, where he learned and honed his automotive and mechanical repair skills. Jack earned the friendship and appreciation of the many whose houses he kept warm while working as a service technician for the Hastings Oil Company in Albion. After more than 35 years of service, through all types of weather and seasons, he retired in 2004.

Jack was known for his love of Major League Baseball and NASCAR. He was a devoted NY Yankees fan and loved making the trip to Yankee Stadium to see a live game. He was also an avid fan of his favorite driver, Dale Earnhardt Sr., and traveled all over with his son, John, and friends to watch stock car racing. Jack loved the outdoors and enjoyed hunting. He and Joan spent many years traveling and camping on the east coast as members of the Wandering Wings Camping Club.

In addition to his wife, Joan, Jack is survived by his children, Joyce and Jim Fillmore of Rhode Island, Janet and Jaime Thomas of Speigletown, Julie Oppe of Brunswick, and John Crook of Troy, his sister and brother-in-law, Karen and Brian Mortimer of Brunswick, a brother-in-law, Bill Smith of Brunswick, three grandchildren, Jennifer Thomas, Zachary Oppe, and Kayla Oppe, and several nieces and nephews. In addition to his parents, he was predeceased by two sisters, Barbara Smith and Gina Brownell, a brother, Richard Crook, a grandson, Gregory Thomas, and a sister-in-law, Ann Smith.

Relatives are invited to call at the Howard B. Tate & Son Funeral Home Inc., 2237 New York Route 7, located in Raymertown, on Thursday, May 19, 2022, from 4 to 7 pm. A funeral service for Jack will be held at the funeral home on Friday, May 20, 2022, at 10 am with Fr. Tom Morrette officiating. Burial will follow in Eagle Mills Cemetery in Brunswick.

Memorial contributions, if desired, may be made to the Alzheimer's Association, 4 Pine West Plaza, Albany, NY 12205, in memory of John W. "Jack" Crook.

Clark D. Edelmenn

Pittstown - Clark D. Edelmenn, 73, a longtime resident of Pittstown, died peacefully in the comfort of his home Thursday, May 12, 2022.

Born in Honesdale, PA, November 7, 1948, Clark is the son of the late Frederick and Norma (Milligan) Edelmenn, and husband for over 53 years of Mary A. (Borter) Edelmenn of Pittstown, who survives.

Clark was a graduate of Tamarac High School in 1966. Throughout high school he competed on the wrestling team. Later he became a force to be reckoned with on the arm wrestling table, competing in, and winning, several tournaments.

Clark was employed right out of high school by the former Matzen Construction Inc. in Raymertown. During his 40 plus years of service at Matzen's he was held in high regard with his coworkers and held the title of foreman for many years. Clark was well rounded in the construction field, but as time went on, his specialty became erecting large steel buildings.

Clark's life work of over 50 years was his family business, Edelmenn Sales and Service Inc., in Grafton, which was founded by his parents. He was later joined by his son, Tim, as co-owner, and also his daughter Heidi. Clark could always be counted on at "the shop" as a friendly face behind the counter with an answer to your question or a story to brighten your day.

Clark was a proud and well-respected member of the Pittstown community. He was one of the founding members of the Pittstown Trailblazers Snowmobile club. He was a lifetime member of the Pittstown Fire Company and a charter member of the Pittstown Volunteer Emergency Corps. and with his knowledge and experience, was involved in the construction of both facilities.

In his quiet time, Clark could always be found on his John Deere tractor in his never ending quest for firewood. However, his most precious pastime was spending quality time with his children and beloved grandchildren.

In addition to his wife, Mary, Clark is survived by his children, Timothy and Jillian Edelmenn of Grafton, Patti and Ken O'Connor of Clermont, Heidi and Mike Bacon of Hoosick, and Robin and Dan Doptis of Pittstown, seven grandchildren, KC, Koster, Emma, Molly, Lily, Maverick, and Jack, two sisters, Susy and Jim Gavagan of Buskirk and Mary Lou and Paul MacNaughton of Pittstown, his mother-in-law, Catherine "Kay" Hagadorn of Boyntonville, and several nieces, nephews, and many friends.

Relatives and friends are invited to call at the Howard B. Tate & Son Funeral Home Inc., 2237 New York Route 7, located in Raymertown on Friday, May 20, 2022 from 2 to 5 pm. A memorial service for Clark will follow, at 5 pm, at the funeral home. Burial at Warren Cemetery in Boyntonville will be held at a time convenient to the family.

In lieu of flowers, if desired, contributions may be made to either the Pittstown Volunteer Fire Company or to the Pittstown Volunteer Emergency Corps., Parker School Road, Johnsonville, NY 12094, and cards may be forwarded to the family c/o Edelmenn Sales and Service, 172 Edelmenn Lane, Troy, NY 12180.

The Life of George Holcomb

Difficulty Bringing Geo P's Carriage Home

Friday, May 21, 1852: Today I and John F and Irish Daniel worked to home, we drew manure onto Mer-rils carrot ground and John F. plowed it and Daniel worked filling up the ditch with stone a spell and this after-noon I beat manure to pieces in the meadow and old Mr. Perkins planted corn for Geo P.

Monday: I this forenoon drove back one of Geo P. young oxen onto my Rodgers farm, he got out and came home, and I put up some fence on said farm, and this afternoon I went onto said farm and put up twine to keep off crows from pulling up the corn. Today Geo P. took his carriage and carried Beriah Wylie to Canaan to take the cars for New York, and on the way home he left his carriage to J. H. Rich's to be repaired and varnished. Today the son of Ezekiel Knapp called and I paid him half a pound carrot seed for a recipe to make soap and is as follows: take 15 pounds of bar soap, 3 pounds salsoda, one fourth pound rosin, half pound salt, put the same in five gallons of soft water over a fire until dissolved, then put the same into a barrel and fill it up with cold water adding two ounces of spirits of turpentine and stir it up. This morning John Merrils came to lath and plaster overhead the kitchen and pre-pare the mortar, by the job, one dollar and fifty cts, he only nailed on one lath and quit because he could not lath it alone, but promised to come again and do the job according to contract.

Tuesday: I this morning paid the Irishman Daniel his ten dollars for his month's work and he quit. Today Geo P. put up twine and other things in his corn field.

Wednesday: Today Mr. Tylor sent his colored man from Pittsfield and paid John F. for thirty eight bushels of potatoes at fifty cents per.

Thursday: I this afternoon returned to my Rodgers farm with three head of my cattle that came home and Wm B. Maxon helped me get back the young cattle that got in their lot.

Friday: This evening I went to Leba-non with one horse wagon and I called to James Henry Rich wagon shop and he tied Geo P. carriage to my wagon and I drew it nearly up the hill on the cross road below Charles Gillette's and the ropes broke and the carriage ran backwards down the hill. I then left my wagon and hitched to Geo P. carriage and came home. S. Owens rode a piece with me.

Saturday: I this morning early led my horse to Lebanon and got my wagon, I left last night on side of the road.
