Delgado Appointed Lieutenant Governor

On Tuesday, May 3, New York Governor Kathy Hochul announced she is appointing Congressman Antonio Delgado as Lieutenant Governor. Mr. Delgado, who was first elected in 2018, and is currently in his second term representing New York's 19th Congressional District, will need to resign from that position in order to begin his new role.

In the press release from the Governor's Office, Mr. Delgado is quoted as saying "New York deserves a Lieutenant Governor who's working day and night to make lives better for working people and their families. Upstate, downstate, doesn't matter. We all want the same things: security, family and opportunity. The key is to listen to New Yorkers from all walks of life and then be their voice to get the job done."

The appointment comes just a day after Democratic lawmakers passed legislation which would allow former Lieutenant Governor Brian Benjamin to be removed from the upcoming ballot due to his indictment stemming from a federal corruption investigation. The recently passed legislation has drawn criticism from Republican lawmakers, who feel Democrats only did so to save Governor Hochul's campaign.

The Republican candidate for the 19th District is current Dutchess County Executive Marc Molinaro. Asked by *The Eastwick Press* for his reaction to the Delgado appointment, he said "This campaign has always been about finding solutions and making the lives of Upstate New Yorkers better. I will keep meeting voters from all corners of the district and look forward to delivering real results."

Funding to Be Provided to Youth Sports Groups

Submitted by the Office of the Rensselaer County Executive

Rensselaer County has announced the third round of funding as part of the Rensselaer County Responds effort, according to County Executive Steve McLaughlin and members of the County Legislature.

Funding will be provided to youth sports organizations across the County and efforts are now underway to contact such organizations regarding the funding. "Our

youth sports organizations provide tremendous support and instruction to kids and families. This funding will help youth sports organizations across the County continue to do their good and valuable work for the future of our County," said McLaughlin. He added, "The county continued our focus on saving money during 2020 and 2021. We did the right thing, by returning some

of those funds to the people and the community groups that do so much good for so many."

SCHODACK

Town Council Highlights

by Denise Wright

The April 28 Schodack Town Council meeting was relatively quick, but had many different issues discussed. The Council held a public hearing on a proposed sanitary landfill on Miller Road. The engineering firm presenting the project isn't planning more than one acre of disturbance. They also have a letter from DEC validating the cleanliness of the fill. However, a decision won't be made until the engineering report can be reviewed.

The Council reviewed a proposed Road program for the year to address maintenance throughout the Town. Schodack has also received some more

COVID-19 tests and is looking at ways to distribute them. Household hazardous waste day is scheduled for July 31, which the Town will sponsor.

Presently the Town has received \$594,000 in American Rescue Plan Act (ARPA) funds. There was discussion about allocating some of the money for the new bridge, equipment and improvements with Sewer district 5 in East Schodack, but no clear decision has been made.

Supervisor Chuck Peter gave members copies of noise ordinances from West Sand Lake and Nassau and asked members to review them. He felt the present policy is a bit light and should be refined.

Supervisor Peter and the Council are working on getting together next month at different sites, such as the Town Park, Police Department, Transfer Station and highway garage, to better understand the updates and necessities these facilities need.

The Board approved posting a listing for a part-time accountant for assistance in the comptroller's office.

Compiled by Doug La Rocque

According to the report from the Lebanon Valley Speedway, Kolby Schroder dominated Saturday Night, April 30 in the Big Block feature race, however a final lap caution forced a one lap shootout where Andy Bchetti was able to slide by him coming out of the first turn and capture his second straight feature at the high banked track. Rounding out the top five were Schroder in second, followed by Kenny Tremont Jr. L.J. Lombardo and Keith Flach. Matt Burke took the Sportsman race.

Albany - Saratoga

Matt DeLorenzo recorded his 38th career win at the track along the Mohawk Saturday evening despite arriving a little late because of his daughter's softball game. I am thrilled that we are able to make a difference in the lives of our children with this funding," said Chairwoman Kelly Hoffman, North Greenbush.

"Youth sports are so important. They create so many memories and friendships that last a lifetime. The coaches that dedicate their time to coach and mentor our kids help shape their lives for the better," said Legislator Dan Casale, Brunswick.

A number of little league and softball organizations opened their seasons on Saturday, April 30. Among them were the ball players from Brunswick, who celebrated with a parade and opening ceremonies.

NOTICE OF FORECLOSURE

Index No. _____

PLEASE TAKE NOTICE, that on the 30th day of March 2022, the Chief Fiscal Officer, hereinafter the "Enforcing Officer", of the County of Rensselaer, New York, hereinafter the "Tax District", pursuant to law filed with the Clerk of the County of Rensselaer, New York, a petition of foreclosure against certain parcels of real property for unpaid taxes. Such petition pertains to the parcel or parcels more particularly described and set forth in the First List of Delinquent Taxes for the year 2022, filed in connection with this proceeding and in the attachment to such petition and to this notice of foreclosure, which attachment is hereby incorporated herein and made a part hereof by reference.

Effect of filing: All persons having or claiming to have an interest in the real property described in such petition are hereby notified that the filing of such petition constitutes the commencement by the Tax District of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.

Nature of proceeding: Such proceeding is brought against the real property only and is to foreclose the tax liens described in such petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.

Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in such petition. Such persons are hereby notified further that a duplicate of such petition has been filed in the office of the Enforcing Officer of the Tax District and will remain open for public inspection up to and including the date specified below as the last day for redemption.

Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to the County of Rensselaer, New York, c/o Mark Wojcik, Chief Fiscal Officer, Rensselaer County Bureau of Finance, Ned Pattison Government Center, 1600 Seventh Avenue, Troy, New York 12180. Such answer must be filed in the Office of the Rensselaer County Clerk and served upon the attorney for the Tax District on or before the date above mentioned as the last day for redemption.

Failure to redeem or answer: In the event of a failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all of his or her right, title and interest and equity of redemption in and to the parcel or parcels described in such petition and attachment and a judgment of foreclosure may be taken by default.

Blooming Now

Common Serviceberry (*Amelanchier arborea*) is a delicate tree that is native to the eastern half of the United States growing 15 to 40 feet tall with a trunk diameter of about six inches. The bark is smooth gray. The flowers measure an inch or less. The edible berries produced in the fall are loved by birds and humans.

One of the early showy forest wildflowers is the Red Trillium (*Trillium erectum*). It is native to the eastern United States and Canada. The flower attracts flies and beetles as pollinators because it has an odor similar to rotting flesh, thus sometimes called Stinking Benjamin. The roots have been used medicinally. The Life of George Holcomb

by George Holcomb • Transcribed by Betty McClave • Edited by Alex Brooks

Geo P. Does a Brisk Business in Apple Trees

Friday, April 23, 1852: I took my one horse wagon and carried my side hill plow to J. B. Maxon's shop and old Mr. Farrington repaired it and I paid him 25 cts and Bliss Maxon soldered my lead pipe. Today Geo P. drew manure on the Maxon farm, and the Irishman that lives there helped him.

Saturday: I took my one horse wagon and carried four bushel wheat and one of corn to Lebanon and left to be ground to Joseph Adams mill and Mr. Sloane put a new shoe on my horse and it pays for the turnips he had last fall. I came home by way of Gay's store and looked our accounts over and found that he owed me one dollar and 68 cts. I then bought nine yards calico at 7 cts per and two pounds batting 24 cts. Today I hired a stranger for one month at ten dollars, he is Irish by the name of Daniel. Today he dug a ditch and filled it from the cheese house to the barn yard. Geo P. carried the pipe to John Mantle and he soldered it over that came apart where Wm B. Maxon soldered it.

Thursday: I measured up twenty bushels of John F. carrots to Lord's hired man, carrots when paid for to be 25 cts

per. Towards night John F. and Hiram burning a brush heap fire by accident got in the old hay and burned part that I spread from the stack for foddering. Tonight I paid James Runnals two dollars cash for his four days work.

Saturday, May 1: I took my horse and wagon and carried two hundred grafted trees for Geo P. from his Pierce nursery and delivered to Doctor E. Graves at eighteen dollars per hundred but not paid for. This afternoon Geo P. and his two sisters went to Daniel Rows on a visit. Today John F. measured up two loads carrots and turnips, 57 bushels at 25 cts per and took his cash of the Church family Shakers.

Sunday: Geo P. and his two sisters returned from Nassau from Dryden and Daniel Row's

Monday: I took a one horse wagon and went to Geo P.'s nursery and helped put on a one horse wagon load apple trees and he went to Petersburg and Hoosick with them and from his nursery I went with Geo P. horse and wagon to Hancock for him to Wm Lapum's and got three bushel of the June potatoes at 50 cts per.
